MARSHFIELD.

We expect everybody knows that the M. F. Telephone Co. has the best telephone central operations in this town that can be boasted of, but do we all realize the extreme care for hours between 7 a. m. and 9 p. m.?

If so, it seems that only upon cases of necessity would we call them out of "central hours."

Marshfield has a certain pride in the doings of her sons and daughters, meaning to make mention of the several parties as the occasion occurs, not only those from a distance, but those in our midst. Particularly have we at this time, inasmuch as our postmaster, A. T. Davis, seems to be one of the foremost at the recent meeting of the postmasters of the United States at Richmond, Va. We find in looking over the program of National League of Postmasters of the United States, held from September 19 to 21 inclusive, that our Mr. Davis appears for Saturday, Sept. 21, at 1:30, in the following: "Should Postmasters and Other Postal Employees Be Made Eligible to Transfer on Their Efficiency Records?" an address of Mr. Davis' composing, and we feel confident it was delivered in a manner to do him credit.

Mr. and Mrs. G. L. Dwinell returned from Boston Monday morning, being called there by the death of Mr. Dwinell's aunt, last Friday. The deceased will be remembered as Mrs. Martha Dwinell, widow of the late James Dwinell.

D. Edmund Price was home over Sunday from Montpelier seminary.

George Emery and son, Wayne, have purchased the little red cottage on Brook street, known as the Kenerson house, of S. Swerdfefer, possession to be given Oct. 1.

The school fair will be held next Saturday, September 28, on the school grounds at the village, an all-day session, open to the public, who are cordially invited. Exhibitions will be made by the pupils of high and graded schools of the following: Flowers, vegetables, live stock, poultry, carpentry, drawing, fancy work and pastry. The schools have planned and worked for this event for the past year under the advice and assistance of Mrs. E. H. Saxby. During the afternoon there will be a ball game and other sports.

FACE FULL OF RED PIMPLES

And Blackheads. On Both Sides of Nose. Used Cuticura Soap and Ointment. Blackheads Gone, Pimples Dried Up and Disappeared.

53 Kendall St., Boston, Mass.—"My face was full of blackheads and red pimples which itched. They were on both sides of my nose. My nose was all sore and a regular seal came on it because I was always trying to do something for it, as when I went out everyone would say, 'Look at your nose. Why don't you do something for it?' I used cold cream and then someone told me to use —, but nothing did me any good until a lady told me to try Cuticura Soap and Cuticura Ointment. I used the Cuticura Ointment at night, and when I got up in the morning I washed my face with Cuticura Soap and hot water, as hot as I could bear. It was only three days when you could see a great improvement in my face. My blackheads are all gone, and my face is fine. The pimples just seemed to dry up and have all disappeared."

"I had some kind of a rash come out on my arms and all I did was to apply Cuticura Ointment at night and in the morning and it disappeared in about a week." (Signed) Miss Mary E. Fortune, Dec. 20, 1911.

FAIR EXCHANGE

A New Back for an Old One—How a Resident Made a Bad Back Strong.

The back aches at times with a dull, indescribable feeling, making you weary and restless; piercing pains shoot across the region of the kidneys, and again the loins are so lame that to stoop is agony. No use to rub or apply a plaster to the back if the kidneys are weak. You cannot reach the cause. Follow the example of this Barre citizen.

Thomas Desjardins, barber, 1 Union street, Barre, Vt., says: "Doan's Kidney Pills have been of great benefit to me. They have done me a wonderful amount of good. I was troubled by a weak and lame back, and there were pains across my loins. At times my kidneys did not act regularly and the kidney secretions were unnatural. I have used Doan's Kidney Pills on several occasions when having these attacks, and they have always acted promptly, giving me relief. I gladly recommend Doan's Kidney Pills, for I know they are a good kidney remedy."

For sale by all dealers. Price, 50 cents. Foster-McMillan Co., Buffalo, N. Y., sole agents for the United States.

LAST CHANCE!

Nine o'clock Saturday night closes the greatest educational distribution ever heard of, or ever thought of, and it is now being discussed from Maine to California.

This \$12 Set at the Expense of The Times

Everybody needs an encyclopedia, but heretofore the high prices have made it impossible for many to possess a set. Ordinarily the prices average about \$30 or \$40 a set, running as high as \$150 to \$200. The volumes are large and cumbersome, some sets taking up a space equal to two or three shelves in the book case. Now compare these with the featherweight edition of EVERYBODY'S CYCLOPEDIA, which is less than one foot, complete. Compare the price of EVERYBODY'S CYCLOPEDIA listed at \$12 against even the cheapest set of the large, unwieldy volumes at \$30. Then consider that this newspaper assumes the manufacturing cost allowing its readers to pay only the items of expense necessary to distribution. It then becomes a matter of comparing \$30 with \$1.98, the total expense amount required for a complete set of EVERYBODY'S CYCLOPEDIA. Is there a reader of this paper that cannot meet this expense? Is there any that can afford to be without this great reference library? It is a necessity in every home, for the use of every man, woman and child—the teacher, the student—at home or in school.

Color, Monotone and Text Illustrations costing thousands of dollars, and unequaled in any work of this character. This featherweight edition contains a wealth of useful information unequaled by any other similar work. It treats 35,000 subjects, in all branches of knowledge; but this is your last chance to get it, so ACT AT ONCE.

ONE COUPON clipped from another page of this paper together with the EXPENSE AMOUNT gets the set.

REMEMBER IT IS "GOOD-BYE" DAY
